Through his unique ability to tap into the Akashic Records, Cayce shed light on the hidden mysteries surrounding Jesus' birth, ministry, crucifixion, and resurrection.

The Birth and Early Life of Jesus

According to Cayce's readings, Jesus was born in Bethlehem, Judea, on December 25th, 4 B.C. His mother, Mary, was a young Jewish woman from Nazareth who was visited by the angel Gabriel and told that she would give

birth to the Son of God. Cayce described Jesus' father as Joseph, a carpenter from Nazareth, but noted that Jesus was conceived through a "divine impregnation," meaning that he was the embodiment of God's spirit on Earth.

Cayce's readings also provide glimpses into Jesus' early life and education. He mentions that Jesus traveled extensively throughout India, Egypt, and Persia, studying with wise teachers and mastering various spiritual practices. These experiences laid the foundation for his profound teachings and his mission to spread the message of love and salvation.

The Ministry of Jesus

Around the age of 30, Jesus began his public ministry, traveling throughout Galilee and Judea. Cayce's readings reveal that Jesus was a gifted healer who performed numerous miracles, including curing the sick, raising the dead, and calming storms. These acts of compassion and power drew large crowds who marveled at his teachings and the love he radiated.

Jesus' central message was one of love, forgiveness, and the importance of living a life of integrity and service. He taught his followers to love God above all else and to treat their neighbors as they would themselves. Cayce emphasized that Jesus' teachings were not limited to a select few but were meant for all people, regardless of their background or beliefs.

The Crucifixion and Resurrection

Jesus' ministry culminated in his crucifixion, which Cayce described as a necessary part of his mission. According to the readings, Jesus knew that he would be betrayed and killed, but he willingly sacrificed himself to atone

for the sins of humanity and demonstrate the power of love over darkness. Cayce stated that Jesus' crucifixion was not an act of violence but a voluntary act of self-sacrifice.

Three days after his crucifixion, Jesus resurrected from the tomb, triumphing over death and proving his divine nature. Cayce's readings provide detailed accounts of Jesus' post-resurrection appearances, where he instructed his disciples and ascended into heaven.
